## INTRODUCTION

First, permit me to say that the 30-days that would transform your life has finally come. On the 27<sup>th</sup> of February 2014, the Holy Spirit gave me the mandate to start writing Timely Notes, with a lucid instruction that “He would be the Author, while I would be the privileged writer”. I’ve received several feedbacks that has proven this mandate over and again. Among them was a man who approached me and said “It is impossible for a man to write these things, it has to be God that is writing it by Himself”. Another lady said “Anytime I read Timely Notes, It’s always as if God is talking to me directly”. Personally, I’ve had to read each Note over and again, because most of the things I write also sound new to my ears.

Timely Notes is posted daily on my blog and other social media platforms, and it has since been a daily devotional for many individuals, families, and organizations.

## DAY 1

God calls people alone, but He doesn't expect us to work alone. You may be alone when God delivers a vision to you, but it doesn't mean you must accomplish it alone. Eccl 4:10 tells us that it is foolishness unto him that is alone. God called Abraham alone, but Abraham didn't go alone; the Bible says "Lot went with him". Though Lot later disagreed with the vision, probably because he thought he could start his own ministry, but it didn't change the fact that he assisted Abraham until his ego took over him completely.

Don't be scared or too proud to share your vision or ideas with people. Pro 15:22 tells us that "plans fail for lack of counsel, but with many advisers they succeed". Many ideas and visions have been buried because the people who discovered them never shared them. It's important to mention that the gifts and callings of God are without repentance, they don't end with a man. Visions and ideas, if well managed, will outlive their owner and transcend to their successors. I know about ten writers who can successfully write Timely Notes with the same depth; and that's because I've shared the vision with them. There are many founders who didn't live to see many things we enjoy today, they only shared them with people who have ran with them till this day.

That's how far we'd go on today's Timely Note. But take these last words; FIND SOMEONE WHO YOU CAN SHARE YOUR IDEAS AND VISIONS WITH, SOMEONE WHO WILL THINK WITH YOU AND BE WITH YOU AS YOU PURSUE THESE IDEAS. Have a most fruitful day, in Jesus precious name!

## DAY 2

Power is essentially for productive work. God won't give you power just because you want to cast out evil; rather, He'd give you power to overcome any evil that tries to stop your good works. In Luke 10:19, Jesus gave His disciples power to tread upon all the wickedness of the devil, such that nothing shall by any means hurt them. But earlier in Luke 10:1, He appointed 70 other disciples and gave them assignments. This literally means that He didn't give them power until He gave them an assignment.

I believe this is why many Christians are still powerless. They are wasting power on the

devil, instead of investing it on good works. Jesus used the phrase "thread upon" to explain to us that we can actually walk through the valley and the shadow of death without stopping our work. A speed bump doesn't determine the destination of a moving car, it only reduces the speed for a moment. Satan may be a speed bump to destiny, but he can't stop us from reaching our destination.

That's how far we'd go on today's Timely Note. But take these last words; POWER IS NOT JUST FOR KEEPING THE DEVIL AWAY FROM YOU, IT'S ALSO FOR DRAWING YOU CLOSER TO GOD'S PLAN. Have a most fruitful day, in Jesus precious name!

## DAY 3

The fact that you've laid a solid foundation for your house doesn't mean you've built a house. No matter how firm your foundation is, it won't be useful to anybody, except weeds and animals. Many Christians are still on the ground because they've not built anything on the solid foundation that God already laid through Jesus Christ.

Jesus is our firm foundation. But the strength of our foundation will not matter if we're not building on it. We must consciously build on our foundation so that weeds and animals will stop

eating our resources. Many Christians are already choked up with life issues, just like weeds occupy a land over time. Weeds are unwanted and uninvited plants on a land; and one way you can eradicate them is to build what you want on the land.

That's how far we'd go on today's Timely Note. But take these last words; THE WORD OF GOD IS THE BUILDER OF A CHRISTIAN LIFE. IF YOU ACQUAINT YOURSELF WITH GOD'S WORD, YOU WILL BE BUILT. Have a most fruitful day, in Jesus precious name!

## DAY 4

One reason why God wants us to live a sanctified life is so that we can gain access to kingdom secrets. Ps 25:14 tells us that "the secret of the Lord is with those that fear Him, and He will show them His covenant". If God shows you a secret on how to prosper your business, even in the midst of competitors, no one would be able to withstand you. What you know cannot be compared to what God shows to you. It is what God shows to you that will make you a show to your world.

The bible described Job as a man who feared God and hated evil. And in Job 29:4 he personally described the source of his

prosperity when he said "the secret of the Lord was upon his tabernacle". It was a secret which God revealed to Daniel that changed the position of Daniel. It was a divine secret that moved Joseph from the prison to the palace. I've wondered why "Living Faith Church Worldwide" grows the way it does, but I recently discovered that their leaders trade with divine secrets.

That's how far we'd go on today's Timely Note. But take these last words; THE REASON WHY YOU LOOK HIDDEN IS BECAUSE YOU'VE NOT FOUND WHAT GOD IS HIDING. SANCTIFICATION IS YOUR GUARANTEED ACCESS TO HIS SECRETS. Have a most fruitful day, in Jesus precious name!

## DAY 5

Our salvation is a call unto glorification. In the beginning, Adam enjoyed the glory and color that God designed for man. Man had no limit, everything was subject to man, including knowledge and life. But when he sinned against God, the glory and color reduced. The more he sinned the more the glory reduced, even to a point that God had to reduce the lifespan of man.

Rom 3:23 explains that "all have sinned, and come short of the glory of God". If you want to know what the glory of God upon a man looks like, study how Adam lived before he fell. Adam was so glorified that God visited him daily. He didn't go to school, but he perfectly gave

names to all the animals. When the glory of God comes upon you, your qualifications would become irrelevant. God's glory is far beyond any qualification on earth; His glory has capacity to qualify you for anything. Haven't you heard of people who get amazing jobs without the necessary qualifications? Haven't you heard of people who fix problems that are not related to their profession?

That's how far we'd go on today's Timely Note. But take these last words; THE FARTHER YOU GO FROM SIN, THE CLOSER YOU'D BE TO HIS GLORY. THE TRUTH IS, HIS GLORY IS THE ONLY CURE TO MAN'S STRUGGLE. Have a most fruitful day, in Jesus precious name!

## DAY 6

If you're confused about what is happening to you, check the scriptures. It's okay to be consumed by the emotional attacks in the world, but before you make a decision on what to do about them, please check the scriptures. Joseph really loved Mary, but his emotion was attacked when he heard that Mary had conceived - knowing that he had not touched her. He had already decided to break up his relationship with Mary when the angel of the Lord appeared to remind him of what the scriptures had said.

Satan often uses the scriptures to get to believers. When Jesus was born, Herod didn't

know how or where to locate Him. But he privately called for the high priests of the land, who eventually told him how and where to find Jesus - according to scriptures. When Satan attacked Jesus with scriptures in the wilderness, it occurred to me that there are scriptures that may not be acceptable for certain situations. Our Christian life is like a real-time movie, and the bible contains scripts describing how we're expected to act per time. If you don't have your script, nobody would put you on screen.

That's how far we'd go on today's Timely Note. But take these last words; **STUDY YOUR SCRIPT SO THAT YOU CAN DILIGENTLY PLAY YOUR PART. BE WISE, DON'T INTERCEPT YOUR BLESSINGS FOR FOOLISHNESS.** Have a most fruitful day, in Jesus precious name!

## DAY 7

There is no storm in life that is ordained to change the direction of one's destiny. In Jonah 2:8, the bible says "they that regard lying vanities forsake their own mercy". The storms that rise against man may appear real, but it doesn't change the truth that they are lying vanities, figments, things that want you to speak words that are contrary to God's word. Jesus and his disciples were crossing over to the other side of the river when a storm suddenly arose. The disciples saw it as the end of the road, but Jesus saw it as a bridge to cross. While the disciples were talking for the storm, Jesus was talking against the storm. The

reason why many people are not going forward is probably because they keep talking about their challenges, instead of talking against them.

God had promised to take Israel to the promise land, but their contact with the red sea almost sent them back to Israel - all because of the words of their mouth. But Moses eventually prove to them that the red sea cannot change the direction of their destiny. Your problems didn't start when you lost your job, marriage, or health, no! Your problems began when you started saying "the loss of your job would bring problems to you". God swore to bless Israel, but He still had to make it clear that "it is as they say unto His ear that He will do".

That's how far we'd go on today's Timely Note. But take these last words; GOD WILL NEVER

DESIRE EVIL FOR HIS CHILDREN, BUT IF THAT'S WHAT YOU SAY YOU WANT, THEN HE CAN ALWAYS ORGANIZE IT FOR YOU. PLEASE, BE CAREFUL ABOUT WHAT YOU SAY! Have a most fruitful day, in Jesus precious name!

## DAY 8

Self-discipline is one of the most important and useful skill everyone should possess. This skill is essential in every area of life, and though most people acknowledge its importance, very few do something to strengthen it. Contrary to common belief, self-discipline does not mean being harsh toward yourself, or living a limited, restrictive lifestyle. Self-discipline means self-control, which is a sign of inner strength and control of yourself, your actions, and your reactions.

Self-discipline gives you the power to stick to your decisions and follow them through, without changing your mind. I perceive that the reason why many believers are yet to receive God's promise is because they lack self-discipline. Paul said "But I discipline my body and keep it under control, lest after preaching to others I myself should be disqualified". That also means that discipline is a major qualifier for God's blessings.

That's how far we'd go on today's Timely Note. But take these last words; WE HAVE WORKED HARD ALL THROUGH THESE YEARS, LET'S NOT ALLOW INDISCIPLINE TO STEAL OUR REWARDS. Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 9

Praising God isn't just about dancing and singing joyful songs to God, it's more about proving the potency of God through our works. 1 Cor 6:20 tells us that we have been bought with a price, therefore we should glorify God in our body and in our spirit, which belongs to God. In Eph 2:10, the bible says we are His workmanship, created in Christ Jesus unto good works. This also means that people should be compelled to glorify God when they see you or the works of your hand.

A king would prefer to honor an invitation to a large gathering of people than an invitation to a single person. This is because, the glory of a

king is in the multitude of people that gather before him. Don't get me wrong, I'm not saying you shouldn't sing and dance to God; as a matter of scriptures, that's something you must do to continue enjoying God's blessing. But my point is, God wants you to create a larger platform where multitudes will glorify Him.

That's how far we'd go on today's Timely Note. But take these last words; YOU DON'T HAVE TO BUILD A CHURCH TO GATHER PEOPLE, JUST BUILD THE GIFT HE HAS DEPOSITED IN YOU. Have a most fruitful day, in Jesus precious name!

## DAY 10

The future is bright! Yes, likewise the sun. But what have you achieved with your bright future? The sun doesn't shine for nothing; it shines so that men can have enough light to work. The sun is bright, but nobody goes to it; likewise, the future is bright, but nobody goes to it, not even a time machine. The brightness of our future is only an advantage to our present. If you don't do any productive thing with your present, the brightness of your future will be irrelevant.

Jesus is the sun of righteousness, the bright and morning star, and the future of every Christian. My father used to say "the future

looks bleak" during our morning devotion. But if Jesus is our future, then it means that our future cannot look bleak, rather, it will continually be bright. However, the problem is not the bleak or bright future, it is our weak responsibility towards our present. No matter how bright our future may be, if we don't embrace the present, we'd never maximize its brightness.

That's how far we'd go on today's Timely Note. But take these last words; TODAY IS THE FUTURE YOU SPOKE ABOUT YESTERDAY. DON'T LIVE FOR THE FUTURE, LIVE WITH IT! Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 11

Can you give your life for a wicked man? Well, I may give my life for a good man, but it won't even cross my mind for a wicked man. As a matter of fact, I've often prayed to God to judge every wicked person around my life. Every Christian hates the sight of wickedness, they'd fast and pray to see the end of a wicked man's menace. Also, the bible tells us that God judges the righteous, but He is angry with the wicked every day. If God is angry with the wicked, and if we're made in His image, then it's only natural for us to be angry with the wicked.

What kind of person is Jesus? The whole world was filled with sin and great wickedness

against God; yet in Romans 5:8 the bible tells us that God proved His love, such that, while we were yet sinners and filled with wickedness, Christ died for us. That also means that even though God is angry with the wicked, He still loves them. The bible further explains that God does not desire that anyone should perish, but that all should come to repentance.

That's how far we'd go on today's Timely Note. But take these last words; GOD IS MORE INTERESTED IN SAVING THE WICKED THAN DESTROYING THEM. AND JUST ANYBODY CAN BE SAVED. Have a most fruitful day, in Jesus precious name!

## DAY 12

What's happening with your mouth? In James 3:10, the bible says "out of the same mouth proceeded blessings and cursing. My brethren, these things ought not to be so". It's obvious that God didn't design our mouth to speak evil or curses, rather, he created them for blessing. Many people have consistently said negative things with their mouth to an extent that even good words now sound evil in their mouth.

I perceive that God often gets angry with our mouth. Just imagine, the same mouth you use to praise God is the same one you use to condemn a fellow man - who was made in

God's image. I believe this is why God will be judging man based on the words of our mouth.

That's how far we'd go on today's Timely Note. But take these last words; OUR MOUTH HAS POWER ENOUGH TO MAKE OR DESTROY US. LET'S RESTRAIN FROM SPEAKING EVIL. Have a most fruitful day, in Jesus precious name!

## DAY 13

Everything has changed! Even yesterday has suddenly become today. They say "change is the only constant thing", which makes it the only thing that lacks ability to change. In other words, everything else can change, but "change" cannot change. Situations also experience change; if your life is not experiencing changes, then you're probably not submissive to agents of change.

Don't tell me there's no way out of your predicaments. Don't tell me you've tried everything, and nothing seems to be working. Don't tell me that a good husband or wife is hard to find. Don't tell me that the school will

never admit your kind. Don't tell me that the economic degradation has reduced the rate of employment, and so you can't get a good job. Don't tell me that you don't have an idea, because the real truth is that you have great ideas, you just haven't harnessed them yet. Don't give me that "it can't be done" mindset, because everything is subject to change!

That's how far we'd go on today's Timely Note. But take these last words; EVERYTHING IN THIS WORLD IS SUBJECT TO CHANGE. BUT IF YOU MUST EXPERIENCE A CHANGE, THEN YOU MUST SUBMIT TO THE AGENTS OF CHANGE. Have a most fruitful day! In Jesus precious name!

#TimelyNotes

## DAY 14

Man is too intelligent to be taught by another man. You must have heard that "if all you know are things you were taught, then you know nothing". Every individual was created with equal capacity to accommodate knowledge, but the reason why our intellectual power has variance is because many people engage in personal development. We may have classmates, but I've never seen a group of people who are knowledge-mates. That also means that we may be in the same class but drawing from different knowledge base.

Daniel was in the same class with many other magicians and astrologers; but the bible

records that he had a knowledge base that was connected to God, which made him ten times better than his peers. You can't continue learning from the same limited-source and expect to be free in a world with unlimited challenges. The presence of a challenge declares the absence of knowledge; and the reason why many professors are still struggling with life is simply because they've not agreed to this truth.

That's how far we'd go on today's Timely Note. But take these last words; IF YOU WANT TO ENJOY AN UNLIMITED LIFE, DEVELOP AN UNLIMITED KNOWLEDGE BASE. Have a most fruitful day, in Jesus precious name!

#TimelyNotes

An Inspiration of The Almighty

## DAY 15

You're just one idea away to excellence! If people are not thinking about you, then it means you don't have ideas. Ideas naturally attract people with resources. You can't have a true idea and not have resources to match. As a matter of thoughts, God will often give you ideas that centers around the resources you have. When an idea drops into your mind, just look around you, you'd find the resources to match.

During the times of consistent blackout, a certain poor man looked for a job and couldn't find one. It suddenly occurred to him that he could supply candles to the retailers who also

travel long distance to buy them. He didn't have money to implement this idea; however, he negotiated with all the retailers around the community to pay the cost of buying the quantity of candles they need, but to pay a subsidized amount for transportation. Now, because he was buying in large quantity, he paid a wholesale price for the candles, and also enjoyed free transportation. That's how he became rich!

That's how far we'd go on today's Timely Note. But take these last words; IDEAS ONLY COME TO COMMITTED MINDS. AS LONG AS YOUR MIND IS WORKING, IDEAS WILL COME. Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 16

When a principle is set by a superior person, all his subordinates will be subject to it. For instance, you shouldn't expect to be alive if you decide to jump off a ten story building. And that's because the principle that governs gravity was created by a superior person. You may amend your own principles easily, but to change the principles of your superior, you'd need to become like your superior.

Naturally, any weight must sink when it contacts water. But Jesus was able to amend it

when He walked on water, and that's because he created the principle. With faith, Peter also walked on water, but when he lost faith, he became subject to the principles of sinking. Naturally, everybody in the world is subject to sickness and diseases, but sickness and diseases are subject to the principles of God's word. So whenever you see sickness around you, get back to the word.

That's how far we'd go on today's Timely Note. But take these last words; WE CAN LIVE FAR ABOVE THE PRINCIPLES THAT GOVERN THIS WORLD. JUST DEVELOP YOURSELF IN THE WORD OF GOD. Have a most fruitful day, in Jesus precious name!

## DAY 17

Sometime ago I decided not to eat until I've read at least one chapter of a book in my library, on a daily basis. It's probably the most difficult decision I've had to make for myself, but improving my intellectual power at the expense of feeding myself is a tradeoff that I was willing to make. That also means that I'd prefer to loose weight than to lose worth.

Phones with low graphics and lesser functionalities hardly consume battery life. But if you want improved graphics and functionalities,

then expect a lesser battery performance. Come to think of it; if I chose battery life over functionality, then I may not have discovered my writing potentials. I perceive that the reason why many people are not growing is because they're not willing to tradeoff their comfort. The demands for growth may affect your beautiful moments now, but it would definitely create beautiful effects in your future.

That's how far we'd go on today's Timely Note. But take this last words; GROWTH IS NOT EASY! IT'S A PAINFUL AND EXPENSIVE PROCESS. THE EARLIER YOU SUBSCRIBE TO ITS DEMANDS, THE BETTER YOU GROW. Have a most fruitful day, in Jesus precious name!

#TimelyNotes

An Inspiration of The Almighty

## DAY 18

The mentality of many believers have greatly deprived them from enjoying divine intervention. God does not need to go through any man to bless you, He can come to you by Himself, and even if He cannot come, He can send the angels. Remember that God visited Abraham by Himself. When Daniel prayed for God's intervention, God heard, and immediately sent an angel to explain things to him. God fed the children of Israel for 40 years with food directly from heaven. It was not man that opened the prison gate for Paul and Silas,

no, it was God who caused the earthquake that broke the prison gate.

If there is any prayer I've consciously prayed, it's that God should not allow the name of any man to be attached to His blessings upon my life. This is not because I don't appreciate the help I get from people, but because a man can change at any time, and he may eventually want to steal the glory that belongs to God.

That's how far we'd go on today's Timely Note. But take these last words; ANYTIME YOU'RE LOOKING UP TO GOD FOR SOMETHING, DON'T PAINT THE PICTURE OF A MAN AROUND IT. GOD IS NOT A MAN! Have a most fruitful day, in Jesus precious name!

#TimelyNotes

An Inspiration of The Almighty

## DAY 19

The blood of Jesus has capacity to enforce any change we desire in life. In Zech 9:11, God explained how he delivered the prisoners of hope. He said "by the blood of the covenant, He has sent forth the prisoners out of the pit where there is no water". He further explained in Verse 12 that "they should turn to their strong hold - which is the blood of the covenant, because it is able to restore a double portion of everything they've lost".

God does not restrict His acts when the blood of Jesus is involved. He will not allow any

opposition to stand in the way of the blood of Jesus. Anytime you engage the blood, whether through prayers, through the communion, or through sprinkling, God responds immediately. Challenges do not hang around for long when the blood of Jesus is involved.

That's how far we'd go on today's Timely Note. But take these last words; SOME THINGS WILL NOT CHANGE UNTIL YOU ENFORCE IT. THE FIGHT OF FAITH IS A GOOD FIGHT, BUT IT IS FIRST A VIOLENT FIGHT. AND ONLY VIOLENT BELIEVERS EXPERIENCE THE GOODNESS IN THE FIGHT OF FAITH. Have a most fruitful day! In Jesus precious name!

#TimelyNotes

An Inspiration of The Almighty

## DAY 20

To every promised position there is a strong opposition. The word "opposition" is a compound word that is joined with "opposite" and "position". Satan introduces oppositions to you so that you may miss God's intended position. The bible tells us that a great and effectual door is opened unto us, but there are many oppositions. That also means that if Satan is not opposing the works of your hand, then you must be in a wrong position.

The presence of opposition is not to stop you, but to prove that you're in the right position. If Satan does not show up around you then it

means you have nothing to show. The bible tells us that all things work together for the good of them that love God. That could also mean that when you see the devil operating around you, just relax, he is working for your good.

That's how far we'd go on today's Timely Note. But take these last words; GOD'S PROMISED POSITION IS STRONGER THAN THE DEVIL'S OPPOSITIONS. DON'T SUBMIT TO THE OPPOSITIONS! Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 21

Christianity without inspiration is mere religion. God is not looking for people who can recite the whole bible; He's looking for people who can interpret the mind of The Holy Spirit behind every scripture. The bible says in Job 32:8 that "there is a spirit in man, but the inspiration of the Almighty gives him understanding". Jesus explained in Mark 4:11 that a person who lacks godly Inspiration is not different from a dog.

You can't be a child of God and not know the mind of the Spirit of God. That's why God said in Isaiah 1:18 that we should "come and reason together with Him". Christians who lack

inspiration are those who hardly create time to reason with God. I find it difficult to hang around Christians who don't and are not willing to talk from inspiration. In my opinion, if you don't inspire me, then you're not required.

That's how far we'd go on today's Timely Note. But take these last words; THE WORD OF GOD IS THE SOURCE OF INSPIRATION. GOD WILL ALWAYS INSPIRE THOSE WHO CARRY HIS WORD IN THEM. Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 22

When a man is drunk, it is usually obvious to everyone who sees him, and they would say he is under the influence of alcohol. If he is constantly afraid, they would say he is living in a state of fear. If he is anxious, they would say he is in a state of anxiety. The subjects often used to describe the state of a man are usually abstract, yet their occurrences are undeniable. If this is the case, why can't believers live under the influence of God? I would like to hear people say things like "he is under the influence of God's word". Instead of living in a state of

fear and anxiety, what's wrong with living in a state of favour?

Let's study God's word till we get drunk, and become influenced by it. The only time most Christians live under the influence of God's word is just after a Sunday service. Amazingly, people also notice when a person is living under a demonic influence. Peter went to preach in a place, and after a while, the people exclaimed that "the gods have come down in the likeness of men". They knew that it was God that influenced him to speak the way he did. Handkerchiefs and aprons were taken from Paul and used to heal the sick. They couldn't find anything against Daniel, except against the God that he served. Jesus lived in a state of favour, even fishes gave money to him.

That's how far we'd go on today's Timely Note. But take these last words; CHOOSE THE STATE YOU LIVE IN, BECAUSE GOD IS ONLY COMMITTED TO YOUR CHOICE. LET YOUR LIFE REFLECT THE GOD YOU SERVE, BECAUSE PEOPLE WILL DOUBT YOUR FAITH IF IT DOESN'T. Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 23

Don't get upset when people rebuke you for the insensitive things you do; especially when their observation is true. Come to think of it, the reason why people try to rebuke your flaws is mostly because they've seen a better side of you. An honest rebuke will most definitely enforce a change. But unfortunately, many people don't like to be corrected.

If you don't have people who have audacity to rebuke you when you go wrong, then it won't be long before you lose everybody else. To be candid, I cherish people who react to my wrongs more than those who love my works.

This is because; a minute wrong act can stab memories of the good years. Practically speaking, when you do wrong as a person, you'd discover that everything else will naturally lose relevance until you get over it.

That's how far we'd go on today's Timely Note. But take these last words; THE WORLD IS FLOODED WITH LIARS. SO HOLD ON TIGHT TO THOSE WHO WILL NEVER LIE TO YOU. IF ALL YOU HEAR ABOUT YOURSELF ARE LIES, THEN HOW WILL YOU GROW IN LIFE? Have a most fruitful day, in Jesus precious name!

#TimelyNotes

## DAY 24

Pride is an abuse on grace and a waste to man's efforts. The bible highlights many great men who lost their dignity to pride. Many believers think that "being proud is the same as being bright". But light doesn't need to be proud before anybody can know that it is light.

Let God announce you! As a matter of scriptures, God hates haughty people. Everybody knew that Herod was the king; but he lost it the moment he began to hype himself. Proud people always demand respect; and from experience, people who demand respect from me never get the best of me. It has also

been said that people will respect you, not because you demanded it, but because you deserve it.

That's how far we'd go on today's Timely Note. But take these last words; GOD LOVES YOU. SO DON'T LET PRIDE TAKE YOUR PLACE. Have a most fruitful day, in Jesus precious name!

## DAY 24

God loves a cheerful giver. But money isn't the only thing that a person can give. As a matter of scriptures, God desires our heart more than He needs our money; Prov 23:26 says "My son, give me your heart". Praying for the church is also a way of giving; but oftentimes, when people are told to pray for the church, they see it as a burden. Praying for the church without joy in your heart will be a waste of time and energy.

What you give to God is as important as how you give it to Him. Joel 1:12 tells us that all our investments are destroyed because joy is

withered away from our midst. It's more like saying "all your skills are useless because your certificates have been burnt in a fire". Giving to the poor will only yield rewards when you give it with joy.

That's how far we'd go on today's Timely Note. But take these last words; THEY THAT SOW IN TEARS, SHALL REAP IN JOY. IT MAY COST YOU A LOT TO GIVE, BUT IF YOU WANT RETURNS, THEN BE JOYFUL. Have a most fruitful day, in Jesus precious name!

## DAY 25

Ambassadors are representatives of a person, people, organization, or a nation. In 2 Cor 5:19-20, after Jesus reconciled man to God, the bible tells us that those who were reconciled were also made ambassadors of Christ - to represent His purpose of reconciliation.

We are not ambassadors of heaven, but of Christ. We represent everything Jesus carries. Jesus said "as the Father sent Him, that's how He sent us". That means, if we walk in His name, we'd have the same level of authority and influence that He has. Deut 11:24 tells us that "where ever the sole of our feet shall

thread upon shall be ours". That also means that we can no longer be affected by our environment, rather, our presence in any environment should influence the place.

That's how far we'd go on today's Timely Notes. But take these last words; THIS IS WHO I AM; I'M AN AMBASSADOR OF CHRIST, AND I RECONCILE MAN TO GOD THROUGH JESUS. NOW TELL ME, WHO ARE YOU? Have a most fruitful day, in Jesus precious name!

## DAY 26

It is not what you have in you that makes you a star, no, it is getting people to look up to what you have in you that does. What's the use of a fully grown apple tree if nobody benefits from it? A footballer cannot become a star player until he has drawn many to believe in him by his skills. Skill without attraction destroys purpose!

In Dan 12:3, the bible tells us that "they that turn many to righteousness shall shine as the brightness of the stars forever". That also means that "a righteous man cannot become a kingdom star until he has drawn many to

believe in the righteousness he carries". Righteous-living without soul winning makes you an average believer. If you don't sing your righteous songs to people, how will they buy your music? And if they don't buy your music, how will you make profit? I perceive that the reason why many believers are poor is because they've never told anyone about the benefits of righteousness.

That's how far we'd go on today's Timely Notes. But take these last words; COMPEL PEOPLE TO BUY WHAT YOU HAVE. IT'S THE ONLY WAY YOU CAN ACTUALLY KNOW YOU HAVE SOMETHING. Have a most fruitful day, in Jesus precious name!

## DAY 27

If it ever gets to a time when your thoughts stop giving expression, and your prayers stop bringing utterance, then there's something you need to know. Knowledge is like food to the body, and your life places a very high demand for it. Thinking and praying can be likened to breathing; and if you stop feeding, it won't be long before you stop breathing. The devil knows that God is able to do whatever we ask or think. And that's why he'd do anything to block our access to true knowledge.

Many Christians lose their prayer and thinking life because they're starving spiritually. The

moment you lose your prayer and thinking life, it won't be long before you fall into temptation. Remember the bible says we should "watch and pray, lest we'd fall into temptation".

That's how far we'd go on today's Timely Notes. But take these last words; KNOWLEDGE IS POWER! WE PRAY AND THINK ON IT. ONCE KNOWLEDGE IS DISPLACED, IGNORANCE BECOMES THE TRUTH. Have a most fruitful day, in Jesus precious name!

## DAY 28

God is not poor! There'd never be a time when you'd ask God for what is too much for Him to do. Even if His possessions can't help you, He'd lay down His life just to help you. God is Almighty! If He does not do as you've asked, then it's probably because He has more than you've asked.

You need to know your rights! Just as many people believe that God knows their needs, God also believes that they know their rights. The brother to the prodigal son knew his needs, but his father told him that what he had as a need was actually his right to have.

That's how far we'd go on today's Timely Notes. But take these last words; THERE IS NOTHING WRONG IN HAVING NEEDS. BUT MOST OF THE THINGS THAT APPEAR TO US AS NEEDS ARE ACTUALLY OUR RIGHT TO HAVE. Have a most fruitful day, in Jesus precious name!

## DAY 29

Everybody needs a listener. A relationship should be a platform to listen to one another; but in most cases - both sides are always talking. Personally, I hardly flow with people who don't listen to my dreams and thoughts. If you want to see the best of anybody, then be ready to listen to them.

God wants us to listen to Him. The bible says "we should seek first His kingdom, and all other things shall be added to us". That could also mean, if you can give God a listening ear, you'd naturally gain access to His resources. The same way, if you can give any man a listening

ear, he'd love you with everything he has. If people are not meeting your expectations, it's because you're not giving ear to their expressions.

That's how far we'd go on today's Timely Note. But take these last words; ONE OF THE WAYS YOU CAN PROVE THAT YOU'RE READY TO LISTEN IS TO REMIND YOUR PARTNER ABOUT THE THINGS HE HAS SAID. THIS ALSO APPLIES WITH GOD; THE BIBLE SAYS WE SHOULD "PUT HIM TO REMEMBRANCE". Have a most fruitful day, in Jesus precious name!

## DAY 30

The word of God is the convicting power of God. This is why, no matter how intense you pray for an unbeliever to be saved, he won't, until he hears the convicting word of God. The reason why they're called unbelievers is not just because they don't believe the word, but because they're ignorant of the truth of God's word. They live in bondage because of their ignorance, and only the truth can set them free.

Anytime I'm privileged to pray for the salvation of souls, I also include that God should position His evangelists on their paths - that would speak the true-word to them. I remember how a

friend was so convicted by one of my messages that He replied me with a desire to be born again the same day.

That's how far we'd go on today's Timely Note. But take these last words; LET'S PREACH THE TRUTH OF GOD'S WORD; THAT'S THE ONLY WAY WE CAN DEPOPULATE HELL! Have a most fruitful day, in Jesus precious name!

CONGRATULATIONS! WELCOME TO YOUR SEASON OF GREAT PROMOTIONS!

First, permit me to say that the 30-days that would transform your life has finally come. On the 27th of February 2014, the Holy Spirit gave me the mandate to start writing Timely Notes, with a lucid instruction that “He would be the Author, while I would be the privileged writer”. I’ve received several feedbacks that has proven this mandate over and again. Among them was a man who approached me and said “It is impossible for a man to write these things, it has to be God that is writing it by Himself”. Another lady said “Anytime I read Timely Notes, It’s always as if God is talking to me directly”. Personally, I’ve had to read each Note over and again, because most of the things I write also sound new to my ears.

Timely Notes is posted daily on my blog and other social media platforms, and it has since been a daily devotional for many individuals, families, and organizations.
